Welcome to Esters!

I fell in love with wine for many reasons, but mostly because of the stories behind the bottles. Our shelves are filled with wines made by smaller producers, whose stories I know and love.

Many people are intimidated by wine. I want to change that. The truth is, it's just grape juice. It doesn't matter what you know. Just start talking to us. Or we'll start talking to you! Do you like full-bodied wine, or lighter styles? Do you like something more earthy or fruity? What's your budget? Let's have a chat.

The wines on our walls (and in the first part of this book) are separated by style. There's a separate section for our cellar bottles. (Something extra special for THAT kind of night.)

If you fall in love with a wine on our list, you can take it home. Nearly all our bottles are available in the retail shop.

So whether you're a novice or a Master Sommelier, I hope you'll find something unique to enjoy.

Cheers!

*Kathryn*
