ABOUT US

As a member of the Rustic Canyon Family, we're a partnership between restaurateurs Josh Loeb & Zoe Nathan and the group's Wine Director Kathryn Coker and her husband, Tug. We're a celebrated, neighborhood wine shop, bar and retail shop in Santa Monica where you can come for a glass of champagne and a meal, buy a special bottle for a friend, stock your wine cellar or all of the above. All of our 250+ wines are from smaller producers around the world, whose stories we know and love, with a particular focus on planet-friendly winemakers. We like to champion the little guys and gals, so that ethos carries through to the artisanal food products, cookbooks, home goods and other sweet items we have in our shop.

Given the wide selection of wine and treats we have available, our expert team can create beautiful, custom gift options that will appeal to various tastes and budgets. Let us help you give a memorable gift, whether it's a gift for a friend, family member or a large corporate order. We'll make it special and fun!

We have seasonal and holiday pre-set options throughout the year, so just pick your favorite, and we'll do the rest.

VIRTUAL TASTINGS

Our virtual tasting experiences are perfect for gatherings with friends and family, near and far, or to celebrate holiday soirées, corporate parties and charitable events that have had to transition online. Pick from a variety of themes, we'll choose the wines, then just sit back, Zoom and have fun! We can also customize these too, based upon party size & availability.

SHIPPING & DELIVERY

HERE'S HOW IT ARRIVES!

We offer shipping through Fed Ex Ground. Since we mostly ship wine, an adult who is 21 or older must show ID and sign for any shipment from our store. We ship one day per week. You'll receive an email with an estimated ship date and tracking number after we confirm your order.

If you require expedited shipping or special handling, give us a ring!

Please note that the laws as to whether or not we can ship wine, beer or hard liquor to many states are constantly changing. Our system will accept your order if you place it online (you'll receive an auto confirmation of your order), but if you are in one of the "Call" states, we will need to confirm we can ship it. You'll receive an e-mail or phone call from our team, indicating whether we can ship.

You can call us at 310-899-6900 or e-mail us at hello@esterswineshop.com if you have specific questions. Thanks so much for your understanding!
