SUNDAY TASTINGS

We've been hosting tastings every Sunday since we opened in 2015. It's a fun way to try new grape varietals, learn about different regions, and taste wine without committing to a whole bottle. Sommelier Randall Middleton curates the line-up with a new theme each week.

From 12-9pm enjoy a flight for \$25/person, which includes a mini cheese pairing. Plus, enjoy 10% off in the shop for bottles featured that day.

MONDAY CELLAR NIGHTS

Our cellar is deep! And we want everyone to get a taste of the rare and special bottles in our collection. Every Monday from 4-10 p.m. our sommelier team selects one rare or fancy bottle to open from our high-end collection, and we sell it by the glass.

We've popped open luxurious Champagnes, baller Burgundies, small allocations from top California winemakers and more.

JOIN ESTERS WINE CLUB!

Do you love wine and want to bring the Esters experience home with you on the regular? Join our Wine Club!! Each month, wines for the clubs are hand selected by our sommelier team: delicious, Esters-approved wines, from small producers.

We have four different options, because wine is not one-size-fits-all. Plus, get an Esters Black Card for 10% off wine in our shop, exclusive member events & cool merch! Interested? Please ask our team for more information!

Solo Traveler - \$45 / month

Savvy Sipper - \$60 / month

Adventurer - \$85 / month

Collector - \$125 / month

Welcome to Esters!

I fell in love with wine for many reasons, but mostly because of the stories behind the bottles. Our shelves are filled with wines made by smaller producers, whose stories I know and love.

Many people are intimidated by wine. I want to change that. The truth is, it's just grape juice. It doesn't matter what you know. Just start talking to us. Or we'll start talking to you! Do you like full-bodied wine, or lighter styles? Do you like something more earthy or fruity? What's your budget? Let's have a chat.

The wines on our walls (and in the first part of this book) are separated by style. There's a separate section for our cellar bottles. (Something extra special for THAT kind of night.)

If you fall in love with a wine on our list, you can take it home. Nearly all our bottles are available in the retail shop.

So whether you're a novice or a Master Sommelier, I hope you'll find something unique to enjoy.

Cheers!

Kathryn Coker

Farming Matters!

Over the past couple of years, we've been making steps for a healthier planet and focusing on the farming behind the bottles on our shelves. All wines coming into Esters come from chemical-free vineyards, but we're all about finding winemakers that go above and beyond by implementing one or more of the following practices.

Organic (CO) - Farming without the use of chemical fertilizers, pesticides or other artificial agents.

Practicing Organic (PO) - Follows the above practices, but doesn't have official certification from their country, as this can be a very expensive process for small farmers and winemakers. They're still doing the important work though!

Biodynamic (B) - A holistic, spiritual way of farming beyond organic. Everything in the vineyard is interconnected, working in harmony with the sun, the stars and the moon.

Dry-Farmed (DF) - Vines cultivated without irrigation. Farmers plant a variety of drought-resistant cover crops that are mulched into the land during rainy periods.

No-Till (NT) - Farming without tilling or plowing. This method doesn't disturb the soil or leave it bare. It decreases erosion, runoff and weeds, AND it's a way of sequestering carbon.

Regenerative (R) - A way of farming that renews and heals the land. It builds soil fertility, ecosystem diversity and draws carbon down from the atmosphere through cover crops, crop rotations, compost and animal manures. This method incorporates ALL of the other farming tenets mentioned above, and it's one of the key ways to reduce global warming.

champagne

We love Champagne here at Esters. Yes, it is perfect for celebrations, but it is also an iconic, delicious WINE for any occasion. It goes with anything you want to eat and it just feels fancy. Simply popping a bottle of Champagne makes any day a good day. Here, we are proud to offer some of the best deals in town for exceptional Champagne.

Cheers!
